The time difference didn't keep her from making sure that everything was taken care of, it's amazing how she's able to catch the small details we might have forgotten if we didn't have her helping out from beginning to end. Rhed and her team had done a tremendous work behind the smooth flowing of our special day. It was great to just relax on the day and know that we have them ensuring everything goes accd to plan. We appreciate all you did, you've made it simply wonderful. Thank you so much! More blessings to all of you!

Ate Rhed!!! We were not only the luckiest but very blessed couple to have you. From the time we first met (in Viber) hehe, we were so amazed with your great effort in "replying" my messages even you were at your relatives' wake; we really appreciate it as it was just truly hard for couples overseas to get wedding supplier who is always on the net for us to talk to and has attention to details that we entrust our special day.

We are so happy and we cant just get over with little stories of how successful our wedding turned out. Thank you so much again ate Rhed!! We believed that we are really destined to meet. We love you and looking forward to our 10th, 25th and 50th Wedding Anniversaries and hopefully the "special days" of our future kids too! 🥰

To our wedding coordinator who became our friend, maraming maraming salamat sa lahat ng tulong at suporta na binigay niyong sa Amin ni Jonas, sa halos 2 taon na pagtitipis sa kakulitan namin lalo na si Jonas (hahahah), sa pagiging professional, creative, organized (especially on the day of the wedding) at pagiging maalaga (special mention to Ate Elyn who assisted me the whole day, salamat ate!) Pangarap lang talaga namin ni Jonas ay maging smooth at maayos na wedding pero sobra sobra yung nangyari. The wedding was way beyond our expectations, it's beautiful beyond words. And that is because of you Ms Rhed (te, tey, Muning hahahah) and of course the whole team. Thank you also to Ann who recommended you to us. We'll miss you and we love you! --Jonas and Jobelle

I miss collaborating with you too! Thank you for all your inputs, Ms. Rhed. I know it wasn't easy but you were professionals and dealt with change easily. You know your craft well. You were the most patient and Ate Elynn was the most calm; just exactly what every bride needs on her wedding day. Thank you, I can't wait for my renewal of vows! Hahahaha #agadagad 🥰🥰🥰
Let's have thanksgiving dinner soon! 🥰🥰🥰
